

## Copy Final Email to Key Club Contacts and regatta participants 22 April 2022

Hello, all

We're on the home straight to our 25th anniversary SIM regatta. Thank you for your patience as we've fired information at you over the last while.

This message has gone to key club contacts, as well as all those email addresses were included in weekend registration forms.

Thanks in advance to Cromwell, Dunstan, N Shore, St George's, Tasman Coastal, and Wanaka, for passing this on to your squads - we can't reach your people directly 😊.

**THE START TIME FRIDAY BROUGHT HAS BEEN BROUGHT FORWARD BY 30 MIN.** Please have your LD boats ready for racing by 11 am Friday.

Amended Friday times as follows:

- 11:00 am **WELCOME & ANZAC TRIBUTE**- participating clubs to bring an oar for **Guard of Honour**
- 11:15 am **Safety briefing** (not 11.30 am as previously stated)
- 11:30 am Boats to water
- 12:30 pm Racing starts

Also, some final house-keeping:

- Medal pickups will be from 3:00-5:00pm each day at Registration/Info desk.
- We've made good progress locating trophies, however there are still gaps. See attachment. Please do a final check through your clubrooms for anything that has your club name against it. Thanks in advance.
- Trophies will be presented at Mahinapua Hotel on Fri and Sat evening.
- Detail of **Bus circuit and pickup times** are attached. Additionally, a copy will be put in club registration packs where function and bus tickets will also be found, and linked off our [SIM website](#).
- Don't forget to let Peter Midgley know if you plan to bring your boat trailer through before 1pm Thursday - MOB 027 4389 595
- Dogs must be on a leash
- No drones
- Rubbish bags will be allocated as trailers move into the boat park. We must leave the area as we found it. Please take your bags home at the end of the regatta.

Travel safe, see you soon

Peter, Catherine and the Cure regatta planning team
